# Andy Cartwright "Afrique" Dusk Collection

Bring the beauty of Africa into your home.

The Andy Cartwright 'Afrique' Dusk Collection is inspired by that magical moment when the African sun sets, the light fades, and the world comes to rest. When twilight bleeds into dusk and dusk into moonlight a time of reflection upon the day passed, just waiting to be renewed by the sunlight. Golden hues deepen in noble splendour, finding unity against the pure black velvet landscape.

This sixth collection is as unique and visually powerful as its predecessors. Each element bears the distinctive Andy Cartwright stamp of authenticity that ensures superior quality, and serves both a decorative and practical function.

A5 NOTEBOOK

I am the colours of the vibrant fabric that weave our tribes together.  
I am the music that makes us want to dance, the drum that gives us rhythm.  
I am the sports fan who stands by you, proudly singing our National Anthem.  
I am the click in every language, the nickname and the humour that slides off our tongues.  
I am the aroma from red hot coals, burning meat and the sweet taste of fruit.  
I am the wines from our vineyards and the fresh flowing water from our streams.  
I am the mirage in the blazing sun, the electric storm and the crisp winter morning.  
I am the rolling sea and the giant mountain range that shields us from the winds.  
I am a free bird, soaring in the thermal, gazing upon the wild savanna.  
I am the rich soil, the floral landscape and the raw gold beneath our earth.  
I am our heritage, our history that helps us see who we've become.  
I am the imperfections in our society that helps us realise we can do better.  
I am the handshake, the kiss, the hug that embraces our diversity.

BL BU L R

I am blue skies that know no end  
 And the rain that falls on the desert sand  
 I am the antelope, standing tall against the sun  
 And the canyons where the ancient rivers run  
 I am the smoke that thunders  
 And the trail where the Maasai wanders  
 I am the silver-back, ghost-like in the mist  
 And the treasure of a lifetime that fits inside a fist  
 I am the child, drinking water with her hands  
 And the king on the hill, surveying his lands  
 I am the great, prehistoric lakes, as vast as the sea  
 And the zebra on the plains, running wild, running free  
 I am the fire that scorches the bush  
 And the fragile shoot, rising up from the dust  
 I am the snow on Kilimanjaro  
 And the poison on the bushman's arrow  
 I am the sea of bright flamingos, rising up into the air  
 And the laugh of the hyena, hiding in its lair  
 I am the wanderer, on safari  
 From the Sahara to the great Kalahari  
 I am the mother at work in the field  
 And the father preparing his children a meal  
 I am the lion, crouched low in the grass  
 And the buffalo wounded, breathing its last  
 I am the solitary baobab tree  
 And mysterious ruins, lost to history  
 I am the Sphinx who guards the sacred words  
 And I am old – as old as the world  
 I am the dawn of civilisation  
 And the mother of every nation
